## PRESS RELEASE

### Boreas Maritime opens new branch in Croatia

19<sup>th</sup> July, 2023  
Arkel, the Netherlands

**Boreas, headquartered in the Netherlands, announces the opening of a new branch in Croatia. The team has been expanded with two new, dedicated team members to run the branch in Rijeka, Croatia. This new expansion supports Boreas Maritime's growth ambitions and opens new opportunities within the region.**

The branch office will be largely focussed on the offshore industry, offering new employment opportunities to Croatian seafarers. Croatian seafarers are widely regarded as being a highly qualified and hard-working talent pool, enabling long-term cooperation and benefits for both clients and the seafarers themselves.

Marina Frkovic, Senior Account Manager & Co-Owner Boreas Maritime Croatia and Ivan Plisic, Senior Account Manager & Co-Owner Boreas Maritime Croatia, will run the new branch. Marina is a law graduate and will be responsible for the management of the branch office, while Ivan is an ex-seafarer with 12 years of experience on board tankers and bulk carriers, among others. They look forward to joining the wider, global Boreas team.

*"The new branch is a logical and exciting next step in our ambitious growth journey", states Operations Director, Pascal Bounin. "We also welcome Marina and Ivan to the team and their skillsets and experience will be instrumental in growing the success of Boreas Maritime Croatia".*
